I. The Institute Idea

A Building in Switzerland Saas-Fe, Switzerland and in Malta, Italy, which is clearly European and architectural in poetic senses. One can find this easily in Malta, or Switzerland because of its distinctly European architecture. It has to be running, like a real address chosen and distributed later.

II. Offices in Delhi, India and Italy, Switzerland

Similarly offices for being in touch with philosophers currently living in India.

III. Meeting Plans

All meetings directed by Wolfgang Schrimacher but also available at the institute or office.

IV. Legal Table and Consequences

University	Legally Valid
Pristine Laws	Instituted

Consequences in the law -

- A. A Building is the idea.
- B. Its address is clear.
- C. People follow Directions.
- D. When one arrives there is a directing function called an office.
- E. Office is all.
- F. Work ethics in the office.
- G. Work Ethic is only to imitate Tulika.
- H. Follow even DU.
- I. Keep laboring.
